ABOUT US

Welcome

Balm Therapeutic Services is a leading mental health and psychosocial support practice based in Jos, Nigeria. We provide compassionate, evidence-based psychological services to children, adolescents, adults, couples, and families. Our work is grounded in trauma-informed care, clinical psychology, and culturally resonant therapeutic practices that promote emotional well-being, resilience, and healthy relationships.

We exist to bridge the mental health gap across northern Nigeria

We exist to bridge the mental health gap across northern Nigeria by offering accessible, high-quality therapy, assessment, training, and community support. At Balm therapeutics, we believe healing is possible, growth is achievable, and every individual deserves a safe space to be seen, heard, and restored.

Our vision

To be a premier centre of excellence for mental health and psychosocial support in Nigeria, empowering individuals, families, and communities to thrive.

Our Mission

To deliver accessible, holistic, evidence-based mental health services, build emotionally healthy families and communities, and strengthen psychosocial resilience through therapy, assessment, training, and collaborative partnerships.

Our Services

Individual Therapy

Adults & Adolescents

We provide client-centered therapy for Depression, Anxiety disorders, Trauma and PTSD, Phobias, Relationship and attachment difficulties, Low self-esteem, Stress and burnout, Identity and adjustment issues, etc.

Our approach blends CBT, EMDR, trauma-informed modalities, psychodynamic insight, mindfulness, and strengths-based work.

Child Therapy and Play Therapy

We support children through creative, developmentally appropriate interventions including Play Therapy and expressive techniques. Focus areas include emotional regulation, behavioural concerns, trauma, adjustment issues, and developmental needs.

Couples and Premarital Counselling

We help couples build emotional connection, resolve conflict, strengthen communication, and prepare for healthy marriages. We support couples navigating:

- Premarital readiness
- Attachment styles
- Conflict cycles
- Infidelity recovery
- Emotional disconnection
- Post-conflict rebuilding

Post-Rehabilitation Support

We offer psychological stabilization and reintegration support for individuals recovering from addiction, medical rehabilitation, or crisis-related recovery. Focus includes relapse awareness, emotional stabilization, and building healthy routines.

Trauma-Focused Interventions

Our trauma services support individuals affected by Violence, Loss and grief, Adverse childhood experiences, Crisis events and displacement, Abuse (physical, emotional, sexual).

We utilize Trauma-Focused CBT, stabilization, grounding, somatic awareness, and integrative trauma care.

Psychological Assessments

We conduct assessments for children, adolescents, and adults, including:

- Cognitive and learning assessments
- Socioemotional assessments
- Trauma assessments
- Behavioural evaluations
- Personality and clinical screening
